

New, funky sound books join the hugely popular Noisy Noisy Range!

Available: 29 May 2008

Price: £7.99

Age: 3-5 years

Two fabulous new books exploring favourite childhood themes join the innovative Noisy Noisy range. Small children with inquisitive hands will love searching for the hidden sound chip on every page and will be delighted as they discover all the grunts and groans of a footballer or the elegant sighs of a Princess!

The bright, colourful illustrations and gentle rhyming text together with a different sound on every page make these the ultimate books for aspiring footballers and princesses everywhere!
