

## Nick Sharratt's Super Shiny New Story!

Available: 2 October 2008

Age: 3-6 years

Price: £9.99

Best-selling author and illustrator Nick Sharratt is back and bringing to life the wonderful world of robots! Fancy meeting robots who can whiz around on wheels and even cook your meals? Now you can as each page introduces a new exciting robot. With wheels to turn, flaps to lift and robot tunes to sing, *Super, Shiny Robots* will be a winner with children and adults alike.

This interactive book is matched with exciting rhyming text and inventive characters to encourage children to enjoy reading and explore their imagination.
